#### HERE IS A SAMPLE OF THE GOOD WORK DONE BY THE CENTER

"In August we welcomed 26 new babies with a layette containing clothing, blankets, diapers, wipes, baby wash, diaper rash cream, bibs, socks, etc. We try to give our clients the infant care items that they need to take care of their new baby. We are urgently in need of baby wash, diaper rash cream, lotion, baby powder and baby bottles. We also are in need of receiving blankets and hooded towels and wash cloths.

We continue to see a record number of clients and children coming to our door in need of assistance. As back to school approaches we are in need of school uniforms in sizes 5-8 especially navy and tan shorts and navy, white, or light blue polo shirts. Boy's and Girl's summer clothing in sizes 4, 5, 6 and 7/8 especially shorts and boys' shoes especially size 9-13 are also urgently needed."
